Re: Acknowledgement for NYS Regulation 194

You are a valued Amalgamated Life Insurance Company producer. We appreciate you for having active client coverage with us.

One key element of our relationship is maintaining current licensure and paperwork with the department of insurance in the state(s) in which you are appointed. Our records indicate that after multiple attempts we have yet to receive a signed acknowledgement from you regarding New York Circular Letter No. 18 (Producer Compensation Disclosure - copy enclosed).

New York State's Regulation 194 requires all of our New York producers to review, sign and return a copy of an acknowledgement that you are aware of your obligations under Regulation 194. If you do not respond by [DATE] you will be deemed to have consented to assume all of the responsibilities imposed upon agents by the Regulation and have agreed to provide all of the required disclosures.

Attached are an acknowledgement and a sample of the required disclosure forms. You may contact me directly should you have any questions.

Sincerely,

Jessica Patti
